India is a land of farmers who are very simple and hard working. Their only wealth is their land. If their crops fail they run into debt and lead a miserable life. They are mostly uneducated. They are not familiar with the new implements and improved methods of farming. They use the same kind of plough as was used many centuries ago. Our government is trying its best to improve the lot of the farmers. They are encouraged to use modern implements good seeds and manures. They are given loans at low rate of interest. Development blocks have been opened all over the country. The blocks supply superior seeds and good manure.

**Questions:-**

(a) Describe the farmers of India.

(b) How does our government encourage the farmers?
